PROFESSIONAL SUMMARY

Motivated Software Engineering student with hands-on experience in mobile and web application development. Skilled in Flutter, React, JavaScript, Python, and backend technologies with a strong foundation in object-oriented programming, data structures, and software development. Passionate about building modern, scalable, and user-friendly applications that solve real-world problems.

TECHNICAL SKILLS

- **Programming:** Python, Java, C++, JavaScript, Dart, HTML, CSS
- **Frameworks:** Flutter, React, Laravel, Node.js
- **Databases:** MySQL, MongoDB
- **Tools:** Github, VS Code, Cursor, Dev C++, MS Office, Antigravity

PROJECTS

- **Task Management Mobile App (Flutter)** – Developed a productivity application that allows users to create, organize, update, and track daily tasks with an intuitive mobile interface.
- **POS Coffee Shop System (Flutter)** – Designed a point-of-sale system for coffee shops featuring order management, billing, transaction handling, and a smooth user experience.
- **Student Management System (Web)** – Implemented a management system for handling student records, attendance tracking, and academic information in an organized way.
- **Quiz Master Web App** – Developed an interactive quiz platform with question management, score tracking, and a responsive user interface for engaging learning.
- **BMI Calculator & Tasbeeh App (Flutter)** – Created lightweight mobile applications focused on clean UI design, user interaction, and functionality optimization.
- **CUI Vehari Library Portal (web)** Developed a digital library portal for librarians to check plagiarism.
- **University Café Management System (web)** Built a café system with order management and payment handling features.

EDUCATION

BS Software Engineering – COMSATS University Islamabad, Vehari Campus

Relevant Coursework: Object-Oriented Programming, Data Structures, Computer Networks, Mobile App Development, Web Development, Advanced Web Development, Software Construction & Development, Software Quality Engineering, E-commerce and Digital marketing, Information security

STRENGTHS

- Strong problem-solving and analytical skills
- Quick learner with adaptability to new technologies
- Passionate about software engineering and modern app development
- Effective communication and teamwork abilities
